Celebration assembly

Every Friday at 9.10am our whole school has a celebration assembly. We would now like to invite parents / carers to this event!

This is the assembly where our 'stars' receive their certificates. We also celebrate birthdays and swimming certificates. All children who have been awarded a 'Golden ticket' throughout the week have the chance of winning a prize.

Parents / carers of these stars will be notified by text/email on the previous Thursday afternoon.

The Key Stage 2 playground will be open for parking

We hope to see you there!

Online Safety Workshops for Parents-New Dates!

Second round of Online Safety sessions for parents

Our schools have told us that they are concerned about the risks posed to children online. At our first Children's Safeguarding conference in July 2022 children told us they felt that their parents needed more support in understanding the potential risks. In response to this, we have commissioned a project for parents. We are committed to keeping our students safe and well in their online lives. We recognise the important role our schools play in this, but also our parent/guardian community. We would like to invite every school in Manchester to take part in this project.

The workshop links are below.
